ABOUT ME

I build applications with alluring and intuitive user experiences. Conscientious and collaborative, I strive to implement best practices and maintainability in all of my code.

A former professional clarinetist, I live to learn and work with others. I am always seeking an opportunity to grow my technological skillset with new languages and frameworks.

EDUCATION

Wyncode Academy, 2020

Fullstack Web Development

Yale University, 2014

Master of Music

Oberlin College, 2012

Bachelor of Arts

Oberlin Conservatory, 2012

Bachelor of Music

Methodology

PROJECTS

[stretch-it-out.herokuapp.com](#)

Web application for stretching. Users can explore a database of stretches and track their fitness progress. Built with the MERN stack.

[pawuadrink.herokuapp.com/home](#)

React web application that allows users to search and filter through Brewdog's catalog of beers. Built using React, Bootstrap, and Framer Motion

EXPERIENCE

Full Stack Web Developer, Wyncode Academy — Sep 2020-Dec 2020

- Built multiple applications utilizing JavaScript, React, Express, Node and MongoDB during a 10 week immersive bootcamp.

Sarasota Opera Orchestra, Clarinetist; Sarasota, FL — 2017-2020

- Performed in Principal and Second Clarinet roles for Sarasota Opera's annual season of 30 fully staged operas.

State College of Florida, Clarinet Instructor; Bradenton, FL — 2020

- Trained and instructed college students in clarinet technique, musical interpretation, and best performance practices for solo and ensemble repertoire.

Richmond Symphony, Acting Associate Principal Clarinetist; Richmond, VA — 2015-2017

- Performed in Principal, Second, and Eb clarinet roles for 39 weeks of multiple symphonic and chamber music concerts every year.
- Co-wrote and performed over 80 interactive educational chamber music performances for students throughout Richmond and Henrico County Public Schools.

Omaha Symphony, Acting Associate Principal Clarinetist; Omaha, NE — 2014-2015

- Performed in Principal, Second, and Eb clarinet roles for 39 weeks of multiple symphonic and chamber music concerts every year.
- Mentored Omaha Youth Symphony musicians in Omaha Side-by-Side program
